

INTERNSHIP OPPORTUNITY

About BELIEVE.

BELIEVE. is a young start up with big ambitions; Our mission is to fight climate change by driving sustainable transformation & positive change in corporations via the following key offering;

1. Corporate climate strategy, action & communications
2. Digital & large-scale corporate employee «Edu-tainment» & Inspiration
3. Change-makers community (connecting impact investment opportunities with impact investors)

Role

We are looking for a motivated part-time-intern (ca. 40-60%) who can support us with various projects such as research, marketing, digital & social media and our clients. The internship will be paid on a project basis and will be fully flexible and agile working conditions. The role can be done alongside other studies or part time work.

The opportunity

The opportunity is to work in an energetic team, including two partners who have together over 40 years of corporate and financial industry experience and a very wide network, get great work experience, potentially participate at some key events and being part at creating new digital assets. The role could potentially evolve into fixed part-time or full-time employment later down the line.

Our ideal candidate

- Be truly passionate about making the world a better place and fighting climate change
- Motivated, fast learner
- Be fluent in English (spoken and written) plus ideally one other EU language (DE, FR; ES; IT, or other)
- Be keen and willing to get involved in a bit of everything (we are a start up)
- A student or a graduate looking for work experience in this field (sustainability, climate action, business transformation, start-up's)
- Be based in Switzerland or Europe
- Good overall computer skills; especially Powerpoint and Excel
- A plus if you have some digital media (social media) capabilities / interest

Start date: ASAP / January 2022

Internship Duration: 6-12 months + (flexible)
